4. REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's 2017 Annual Report. Section 250R(3) of the Corporations Act expressly provides that the vote is advisory only and is not binding on the Directors or the Company. The Remuneration Report is set out in the Company's 2017 Annual Report, a copy of which is available on the Company's website (www.jindalee.net).

The Remuneration Report sets out the Company's remuneration arrangements for Directors and senior management of the Company. The Remuneration Report is part of the directors' report contained in the Annual Financial Report of the Company for the financial year ending 2017.

A reasonable opportunity will be provided at this Meeting for discussion of the Remuneration Report at the Annual General Meeting.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting is held at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

5. RE-ELECTION OF DIRECTOR

Resolution 2 seeks approval for the re-election of Ms Patricia Farr as a Director of the Company with effect from the end of the Meeting.

Ms Farr is required to retire pursuant to the rotation of Directors' rule in clause 13.2 of the Company's Constitution. That clause provides that at each Annual General Meeting one-third of the Directors (other than Alternate Directors or the Managing Director), or, if their number is not a multiple of three, then the nearest to but not more than one-third of the Directors must retire from office.

Ms Farr retires from office in accordance with this requirement and, being eligible, has offered herself for re-election as a Director of the Company.

Details of this candidate are as follows:

Patricia (Trish) Farr

GradCertProfAcc, GradDipAppCG, AGIA, GAICD

Executive Director/Joint Company Secretary – Appointed 28 August 2008

Age 45.

Ms Farr joined Jindalee Resources in July 2002 and has been closely involved with the growth and development of the Company since its listing on ASX. She is an experienced company administrator with over 19 years experience in the mining industry. Ms Farr was previously the Company Secretary of uranium junior Energy Metals Limited from its initial listing on the ASX in 2005 until resigning following the successful proportional takeover bid by China General Nuclear Power Group. Ms Farr is also the Company Secretary of Musgrave Minerals Limited.

Ms Farr is a graduate member of the Australian Institute of Company Directors, Governance Institute of Australia (formerly Chartered Secretaries Australia) and the Institute of Chartered Secretaries & Administrators. Ms Farr was appointed to the Jindalee Board in 2008.

The Directors unanimously support the re-election of Ms Farr as a Director of the Company (with Ms Farr abstaining).

6. APPROVAL OF 10% PLACEMENT FACILITY

6.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity, as its market capitalisation based on a share price of \$0.265 (being the last closing price of the Shares on ASX as at 18 September 2017) is \$9,247,115.

While the Company has no current intention to use the 10% Placement Facility, the Company is now seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 7.2(c) of this Explanatory Memorandum below).

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: JRL).

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

7.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, being Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 7.2(c) of this Explanatory Memorandum above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within five Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

7.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

7.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within five Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A2		Issue Price		
		\$0.1325 50% decrease in Issue Price	\$0.265 Issue Price	\$0.53 100% increase in Issue Price
Current Variable A 34,894,775 Shares	10% voting dilution	3,489,477 Shares	3,489,477 Shares	3,489,477 Shares
	Funds raised	\$462,355	\$924,711	\$1,849,422
50% increase in current Variable A 52,342,162 Shares	10% voting dilution	5,234,216 Shares	5,234,216 Shares	5,234,216 Shares
	Funds raised	\$693,533	\$1,387,067	\$2,774,134
100% increase in current Variable A 69,789,550 Shares	10% voting dilution	6,978,955 Shares	6,978,955 Shares	6,978,955 Shares
	Funds raised	\$924,711	\$1,849,423	\$3,698,849

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- (vii) The issue price is \$0.265, being the last closing price of the Shares on ASX as at 18 September 2017.

- (c) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of Equity Securities pursuant to the 10% Placement Facility will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration in relation to the acquisition of new resource assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use funds raised towards the ongoing costs associated with the exploration of its existing projects and to investigate additional acquisitions to complement these projects. Funds raised will be used to meet cash payments in connection with these projects or any additional acquisitions, while also being used to fund subsequent exploration activities associated with any new acquisitions.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The recipients under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the recipients under the 10% Placement Facility will be the vendors of the new resources assets or investments.

- (f) In the 12 months preceding the date of the AGM, the Company has issued 400,000 Equity Securities. This represents approximately 1.15% of the total number of Equity Securities on issue at the commencement of that 12 month period.

Details of all issues of Equity Securities by the Company during the 12 months preceding the date of the AGM are as follows:

Date of issue:	22 August 2017

¹ The value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).

- (g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Resolution 3 is a special resolution.

The Directors recommend that shareholders vote in favor of Resolution 3.

8. APPROVAL OF SHARE OPTION PLAN

The Company has an existing employee share option plan which was adopted by the Board and approved by Shareholders on 26 November 2014. The Board has now adopted a new employee share option plan (**ESOP**) incorporating some revisions to reflect regulatory changes and contemporary employee incentive practices since the existing employee share option plan was approved. Resolution 4 seeks approval of the ESOP and the issues of securities under the ESOP.

ASX Listing Rule 7.1 prohibits an entity from issuing or agreeing to issue equity securities in any 12 month period which amount to more than 15% of its ordinary securities without the approval of holders of its ordinary securities.

However ASX Listing Rule 7.2, exception 9(b) provides that ASX Listing Rule 7.1 does not apply in relation to, amongst other things, an issue under an employee incentive plan if within 3 years before the date of the issue the holders of the entity's ordinary securities approve the issue of securities under the plan as an exception to Listing Rule 7.1.

The ASX Listing Rules define "employee incentive plan" as:

- (a) a plan for the issue or acquisition of equity securities in an entity to be held by, or for the benefit of, participating employees or non-executive directors of the entity or a related entity or their associates; or
- (b) a plan which, in ASX's opinion, is an employee incentive plan.

Under the ASX Listing Rules, equity securities include options over issued or unissued shares in an entity. The proposed ESOP is therefore an employee incentive plan for the purposes of the ASX Listing Rules.

If this Resolution is passed, equity securities issued under the ESOP during the next 3 years will be excluded in determining the 15% limit under Listing Rule 7.1. This would assist the Company should it require additional fundraising flexibility.

The following information is provided for the purposes of Listing Rule 7.2 Exception 9(b):

- (a) a summary of the terms of the ESOP is outlined in Annexure A and a full copy of the ESOP is available for inspection at the Company's registered office until the date of the General Meeting; and
- (b) 400,000 Options have been issued under the Company's existing employee share option plan since the date of its approval in November 2014. No shares have been issued on exercise of options issued under the Company's existing employee share option plan.

The Board recommends that Shareholders vote in favour of Resolution 4.

9. RESOLUTIONS 5-7 – ISSUES OF OPTIONS TO DIRECTORS

The Company is proposing to issue Options to Mr Justin Mannolini (Non-Executive Chairman), Mr Lindsay Dudfield (Managing Director) and Ms Patricia Farr (Executive Directors/Company Secretary) as a component of their remuneration, in order to keep cash payments to a minimum and to provide incentives linked to the performance of the Company.

The Board has resolved, subject to obtaining Shareholder approval, to issue a total of 2,000,000 Director Options to the Directors (**Related Parties**) on the terms and conditions set out below.

Under section 208 of the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

The grant of the Director Options to the Related Parties requires the Company to obtain Shareholder approval because the grant of Director Options constitutes giving a financial benefit, and as a Director, each Director is a related party of the Company. The Company will not issue the Director Options unless Shareholder approval is granted.

The offer of Director Options to the Related Parties forms part of the Company's long term incentive objectives to encourage Directors to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through share ownership.

The number of Director Options to be issued to Directors is determined based on factors such as length of service, continuity of executive management, significant contribution to the Company's success and to provide ongoing equity incentives to advance the Company and its assets. Furthermore, the grant of Director Options, is viewed as a cost effective and efficient reward and incentive of the Company as opposed to alternative forms of incentive, such as the payment of additional cash compensation to Directors.

9.1 Information required pursuant to Chapter 2E of the Corporations Act and ASX Listing Rule 10.11

Pursuant to and in accordance with the requirements of Sections 217 to 227 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Director Options:

- (a) The related Parties are Mr Lindsay Dudfield, Mr Justin Mannolini, and Ms Patricia Farr who are related parties by virtue of being Directors.
- (b) The maximum number of Director Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is set out below:

Related Party	Maximum number	Exercise Price	Expiry date
Mr Justin Mannolini	500,000	Equal to the higher of \$0.40 or 150% of the prevailing market price of the Shares on ASX on the day approval is provided	30 June 2022
Mr Lindsay Dudfield	1,000,000	Equal to the higher of \$0.40 or 150% of the prevailing market price of the Shares on ASX on the day approval is provided	30 June 2022
Ms Patricia Farr	500,000	Equal to the higher of \$0.40 or 150% of the prevailing market price of the Shares on ASX on the day approval is provided	30 June 2022

- (c) The Director Options will be granted to the Related Parties no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Director Options will be issued on one date.
- (d) The Director Options will be granted for nil cash consideration, accordingly no funds will be raised.
- (e) The terms and conditions of the Director Options are set out in Annexure B.
- (f) The value of the Director Options and the pricing methodology is set out in Annexure C.
- (g) The relevant interests of the Related Party in securities of the Company are set out below:

Director	Number of Shares	Number of Options
Mr Justin Mannolini	250,000	Nil
Mr Lindsay Dudfield	11,980,844	Nil
Ms Patricia Farr	406,533	Nil

- (h) The remuneration and emoluments from the Company to the Related Party for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year	Previous Financial Year
Mr Justin Mannolini	\$54,750	\$54,750
Mr Lindsay Dudfield	\$115,000	\$115,158
Ms Patricia Farr	\$105,120	\$109,163

- (i) If the Director Options granted to the Related Parties are exercised, a total 2,000,000 Shares would be issued. This will increase the number of Shares on issue from 34,894,775 to 36,894,775 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 5.42%, comprising 1.355% by Justin Mannolini, 2.71% Lindsay Dudfield, and 1.355% by Patricia Farr.

The market price for Shares during the term of the Director Options would normally determine whether or not the Director Options are exercised. If, at any time any of the Director Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Director Options, there may be a perceived cost to the Company.

- (j) The trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.295	5 September 2017
Lowest	\$0.18	16 August 2017
Last	\$0.28	28 September 2017

- (k) The primary purpose of the grant of Director Options to the Related Parties is to provide cost effective consideration to the Related Parties for their ongoing commitment and contribution to the Company in their respective roles as Directors. The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Options upon the terms proposed.
- (l) Mr Mannolini declines to make a recommendation to Shareholders in relation to Resolution 5 due to his personal interest in the outcome of the Resolution, on the basis that he is to be granted Director Options in the Company should the Resolution be passed. However, in respect of Resolutions 6 and 7, Mr Mannolini recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the grant of the Director Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed.
- (m) Mr Dudfield declines to make a recommendation to Shareholders in relation to Resolution 6 due to his personal interest in the outcome of the Resolution, on the basis that he is to be granted Director Options in the Company should the Resolution be passed. However, in respect of Resolutions 5 and 7, Mr Dudfield recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the grant of the Director Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed.
- (n) Ms Farr declines to make a recommendation to Shareholders in relation to Resolution 7 due to her personal interest in the outcome of the Resolution, on the basis that she is to be granted Director Options in the Company should the Resolution be passed. However, in respect of Resolutions 5 and 6, Ms Farr recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the grant of the Director Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed.

- (o) In forming their recommendations, each Director considered the experience of each other Director, the current market price of Shares and the current market practices when determining the basis of issue of the Director Options.
- (p) The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 7.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Director Options to the Related Party as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Director Options to the Related Party will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

10. ISSUE OF OPTIONS TO PIP DARVALL

As was announced to ASX on 25 September 2017, the Company has appointed Mr Pip Darvall as chief executive officer of the Company. As part of his appointment, the Company proposes to issue Mr Darvall 4,500,000 Options to be issued in three (3) tranches, subject to Shareholder approval. Resolution 8 seeks Shareholder approval for the issue of those Options.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. The effect of Resolution 8 will be to allow the Directors to issue the Options during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

The Board recommends that Shareholders vote in favour of Resolution 8.

Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Option issue:

- (a) the maximum number of Options to be granted is 4,500,000;
- (b) the Options will be issued no later than 3 months after the date of the meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and is intended that allotment will occur on the same date;
- (c) the Options will be issued for nil cash consideration;
- (d) the Options will be issued to Mr Pip Darvall or his nominee;
- (e) the Options are subject to the following terms and conditions:
- 1,500,000 Options (Tranche A Options) will vest on 30 June 2018, have an exercise price of \$0.40 each and will expire on 30 June 2022;
 - 1,500,000 Options (Tranche B Options) will vest on 30 June 2019, have an exercise price of \$0.50 each and will expire on 30 June 2022;
 - 1,500,000 Options (Tranche C Options) will vest on 30 June 2020, have an exercise price of \$0.60 each and will expire on 30 June 2022;

Other material terms of the Options are set out in Annexure D; and

- (f) no funds will be raised from the Option issue. The primary purpose of the issue of the Options to Mr Darvall is to provide a long-term incentive and to align Mr Darvall's interests with those of Shareholders in seeking to maximise the value of the Company.

ANNEXURE A – SUMMARY OF TERMS OF THE ESOP

(a) **ASIC Relief**

ASIC Relief means the relief from the disclosure and licensing provisions of the Corporations Act contemplated by ASIC Regulatory Guide 49 as modified from time to time and any additional relief granted by ASIC pursuant to an application made by the Company. ASIC Relief includes the relief set out in ASIC Class Order 14/1000 and any future ASIC Class Order relating to ASIC Regulatory Guide 49.

(b) **Eligibility**

The Board may invite any person to participate in the ESOP (**Plan**) including full, part time, casual or prospective employees, contractors, directors of the Company or an Associated Body Corporate of the Company, or a prospective participant being a person to whom an invitation is made but who can only accept the invitation if an arrangement has been entered into that will result in the person becoming a full, part time, or casual employee, contractor, director of the Company or an Associated Body Corporate of the Company (**Eligible Participant**).

(c) **Offer of Plan Options**

The Plan will be administered by the Board which may, in its absolute discretion, offer Plan Options to any Eligible Participant from time to time as determined by the Board and, in exercising that discretion, may have regard to some or all of the following considerations:

- (i) the seniority of the Eligible Participant and the position the Eligible Participant occupies with the relevant Company;
- (ii) the length of service of the Eligible Participant with the Company;
- (iii) the record of employment of the Eligible Participant with the Company;
- (iv) the potential contribution of the Eligible Participant to the growth and profitability of the Company;
- (v) the extent (if any) of the existing participation of the Eligible Participant in the Plan; and
- (vi) any other matter the Board considers relevant.

(d) **Number of Plan Options**

The number of Plan Options to be offered to an Eligible Participant will be determined by the Board in its discretion and in accordance with the rules of the Plan and applicable law.

(e) **Conversion**

Each Plan Option is exercisable into one Share in the Company ranking equally in all respect with the existing issued Shares in the Company.

(f) **Consideration**

Plan Options issued under the Plan will be issued for no consideration.

(g) **Exercise price**

The exercise price for Plan Options offered under the Plan will be determined by the Board.

(h) **Exercise conditions**

The Board may impose conditions, including performance-related conditions, on the right of a participant to exercise Plan Option granted under the Plan.

(i) **Exercise of Plan Options**

A participant in the Plan will be entitled to exercise their Plan Options in respect of which the exercise conditions have been met provided the Plan Options have not lapsed and the exercise of the Plan Options will not result in the Company contravening the ASIC Relief. A holder may exercise Plan Options by delivering an exercise notice to the Company secretary along with the Plan Options certificate, and paying the applicable exercise price of the Plan Options multiplied by the number of Plan Options proposed to be exercised.

After receipt of the required items, the Company will, subject to the ASX Listing Rules, issue to the participant the relevant number of Shares.

(j) **Cessation of employment**

If at any time before the exercise of a Plan Option, an Optionholder ceases to be an Eligible Participant:

- (i) by reason of death, disability, bona fide redundancy or other reason approved by the Board, and at that time the Eligible Participant continued to satisfy any other relevant conditions of the grant, the Board may determine the extent to which the Plan Options held by the Eligible Participant vest; and a period of time for the Plan Options to be exercised; or
- (ii) for any other reason, all Plan Options held by the Eligible Participant will automatically lapse unless the Board otherwise determines within 30 days of the Optionholder ceasing to be an Eligible Participant.

(k) **Restrictions on trading**

- (i) The Board may determine, prior to the offer of the relevant Plan Options, any restrictions upon trading in Shares issued pursuant to the exercise of a Plan Option.
- (ii) The Board must provide the Eligible Participant with details of any restrictions.
- (iii) The Company may implement any procedure it considers appropriate to restrict an Eligible Participant from trading in the relevant Shares.

(l) **Participation in Rights Issues and Bonus Issues**

The Plan Options granted under the Plan do not give the holder any right to participate in rights issues or bonus issues unless Shares are allotted pursuant to the exercise of the relevant Plan Options prior to the record date for determining entitlements to such issue. The number of Shares issued on the exercise of Plan Options will be adjusted for bonus issues made prior to the exercise of the Plan Options in accordance with the Listing Rules.

(m) **Reorganisation**

The terms upon which the Plan Options will be granted will not prevent the Plan Options being reorganised as required by the ASX Listing Rules on the reorganisation of the capital of the Company.

(n) **Limitation on offers**

If the Company makes an offer under the Plan where:

- (i) the total number of Shares to be received on exercise of Plan Options the subject of that offer exceeds the limit set out in the relevant ASIC Relief; or
- (ii) the Offer does not otherwise comply with the terms and conditions set out in the relevant ASIC Relief,

the Company must comply with Chapter 6D of the Corporations Act at the time of that offer.

(o) **Entitlement**

There are no participating rights or entitlements inherent in the Plan Options and Optionholders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Plan Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 5 Business Days after the issue is announced. This will give Optionholders the opportunity to exercise their Plan Options prior to the date for determining entitlements to participate in any such issue.

(p) **Deferred Taxation**

It is the intention of the Board that the issue of Options and Shares under the Plan will be subject to the deferred taxation regime contained in Division 83A of the Tax Act.

(q) **Change of control**

If any of the following events occur:

- (i) the Company is subject to a takeover bid;
- (ii) the Company proposes a scheme of arrangement with its members under Part 5.1 of the Corporations Act; or
- (iii) a person, or group of associated persons, becomes entitled to sufficient Shares to give him or them the ability, in general meeting, to replace all or a majority of the Board, where such ability was not already held by a person associated with such a person or group of persons,

then the Board may:

- (iv) determine that Plan Options may be exercised at any time from the date of such event so as to permit the holder to participate in the change of control arising from the event; or
- (v) use its reasonable endeavours to procure that an offer is made to holder of Plan Options on like terms to the terms proposed in such event.

ANNEXURE B – DIRECTOR OPTIONS

The Director Options (Director Options) entitle the holder to subscribe for Shares on the following terms and conditions:

- (a) Each Director Option gives the Optionholder the right to subscribe for one Share.
- (b) The Director Options will expire at 5.00pm (WST) on 30 June 2022 (Expiry Date). Any Director Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.

 - (i) a written notice of exercise of Director Options specifying the number of Director Options being exercised; and

However, the Company will apply for quotation of all Shares issued pursuant to the exercise of Director Options on ASX on or before the issue date of those Shares. To the extent any Shareholder or regulatory approval is required by the Company for the issue of any Shares the subject of any exercise notice (Approval), the Company shall use its best endeavours to seek the Approval and upon receipt, the Company will issue the relevant Shares within five (5) Business Days following Approval.
- (k) If at any time the issued capital of the Company is reconstructed, all rights of an Optionholder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

-
- (l) There are no participating rights or entitlements inherent in the Director Options and Optionholders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Director Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 5 Business Days after the issue is announced. This will give Optionholders the opportunity to exercise their Director Options prior to the date for determining entitlements to participate in any such issue.
 - (m) A Director Option does not confer the right to a change in exercise price or a change in the number of underlying securities over which the Director Option can be exercised.

Instructions for Completion of the Proxy Form

For your vote to be effective it must be received by **10.00am (WST) on 20th November 2017** by post, facsimile or email to the respective addresses stipulated in this proxy form.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

A Shareholder entitled to attend and vote at the Meeting is entitled to appoint not more than two other persons (whether Shareholders or not) as proxy or proxies to attend in the Shareholder's place at the Meeting. The proxy has the same right as the Shareholder to speak and vote at the Meeting. If you leave this section blank, the Chairman of the Meeting will be your proxy to vote your shares. The Chairman intends to vote in favour of all resolutions set out in the Notice of Meeting.

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote as they choose. If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote. Completion of a proxy form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid proxy form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.

A proxy need not be a securityholder of the Company.

Attending the Meeting

Bring this form to assist registration. If a representative of a corporate securityholder or proxy is to attend the meeting you will need to provide the appropriate evidence of appointment prior to admission.

If you have any questions or comments for the Company, please write them on a separate sheet of paper and return with this form.

Contact Telephone Number

If you provide your contact telephone number, we can contact you if there are any problems with your proxy form (although the Company is not under an obligation to do so).

Signature(s)

The proxy form must be personally signed by the Shareholder or the Shareholder's attorney. Proxies given by corporations must be executed in accordance with the Corporations Act. You must sign this form as follows in the spaces provided:

Individual: Where the holding is in one name, the security holder must sign.

Joint Holding: Where the holding is in more than one name, all of the security holders should sign.

Power of Attorney: If you are signing under a Power of Attorney, you must lodge an original or certified photocopy of the appropriate Power of Attorney with your completed Proxy Form.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign the appropriate place to indicate the office held. Delete titles as applicable.
